| Population | 67.4 million |
| GDP | \$ 2 630.3 billion |
| Active armed forces | 203,000 |
| Defence spending | \$ 55 034 million |
| Defence spending % GDP | 2.16% |

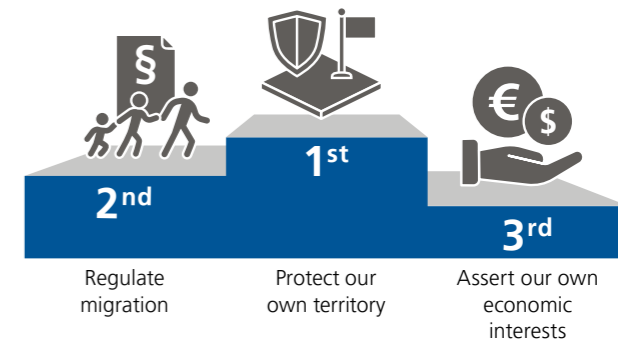

Do you believe that China, the USA or Russia represent a threat to peace and security in Europe?

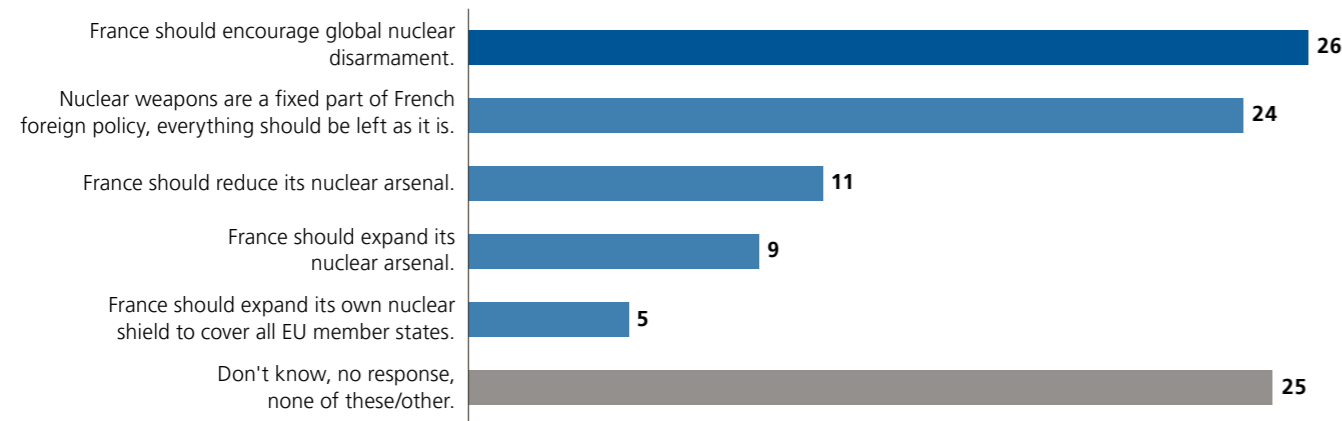

My country does not have the status in the world it deserves in comparison with other countries.

Please give the three most important objectives that your country should pursue with its foreign policy.

When you think of the French nuclear arsenal, what would you like to see happen here in the future?

To ward off dangers to my country it is permitted to carry out military actions in other countries.

Differences in perceptions in France and Germany
